DN16 1BP
United Kingdom

Holds Certificate Number: 2797 CPR 721496

In respect of:

**EN 10025-1 Hot rolled products of structural steels -
Part 1: General technical**

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the above construction product. This certificate attests that all the provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the above standard(s) under system 2+ are applied and that the factory production control is assessed to be in conformity with the applicable requirements. This certificate was first issued on the date below and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods, nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

For and on behalf of BSI, a Notified
Body for the above Regulation
(Notified Body Number 2797):
